

October 12, 2012

Below are anticipated construction activities for the week of 10/15/2012.

****While this list encompasses numerous construction projects, it does not list all DPW projects throughout the county. The most recent work is highlighted. Also, weekend work is possible on all projects. We ask for motorists' patience and caution while driving through construction sites. All work is weather dependent.**

CENTER TOWNSHIP

Northbound lane restrictions are in place for Meridian Street between East 25th Street and Fall Creek Boulevard North Drive. East 25th Street will remain closed to traffic until November 15, 2012.

Restrictions may be in place on Indiana Avenue from 10th Street to 16th Street while streetscape improvements are underway.

Restrictions may be in place on the following streets while resurfacing work is underway.

- Alley 25 S from Tacoma Avenue to Temple Avenue
- Alley 50 N from Alley 1175 E to Highland Avenue
- Alley 200 W from Morris Street to Wilkins Street
- Alley 325 S from Hamilton Avenue to Alley 2150 E
- Alley 425 S from Alley 2150 E to St Paul Street
- Alley 475 S from Hamilton Avenue to St Paul Street
- Alley 550 E from Buchanan Street to McCarty Street
- Alley 725 E from Dead End to McCarty Street
- Alley 775 S from Dead End to Russell Street
- Alley 2150 E from Alley 475 S to Alley 425 S
- Alley 2575 S from Dead End to State Street
- Alley 950 E from 19th Street to 21st Street
- Central Avenue from 38th Street to East Fall Creek Parkway North Drive
- Hendricks Park roads
- Naomi Street from Shelby Street to Asbury Street
- New Jersey Street from 16th Street to 22nd Street
- **Orange Street from Meridian Street to Madison Avenue**

Restrictions are in place on Delaware Street from McCarty Street to South Street. The contractor has switched traffic to the newly paved two eastern lanes of Delaware Street and will be working in the three western lanes. **Asphalt setting bed and roadway pavers will be installed on the western half of Delaware Street at Merrill Street next week. Delaware St. will remain one way northbound for approximately 5 to 7 more weeks.**

Restrictions are in place on Delaware Street from South Street to Maryland Street. Traffic has been moved to the two eastern lanes in this area. Final pavement markings have been placed. Delaware Street at South Street will be reduced to one lane northbound over the weekend to final sand and seal the pavers at the crosswalk areas. Delaware Street will be back to two thru lanes northbound by early Monday morning (10/15). Next week, South Street at Delaware Street and at Alabama will be restricted to one lane for the final sanding and sealing of the pavers at the crosswalk areas. This work will take approximately two days. Delaware St. will remain one way northbound for approximately 5 to 7 more weeks.

The intersection of Henry Street and Alabama Street is closed for the next 25 days for the reconstruction of this intersection. Alabama Street from South Street to Henry Street is also closed to thru traffic. Henry Street from Delaware Street to Alabama Street is also closed to thru traffic but the entrance to the Eli Lilly lot, #22, is open for ingress and egress to Delaware Street.

Restrictions will be in place on the bridge on Emerson Avenue north of Massachusetts Avenue while bridge rehabilitation is underway. Restrictions may be in place on Massachusetts Avenue under the bridge. This project is also on the border of Warren Township.

Restrictions may be in place while downtown brick sidewalk and street paver repair is underway. Locations include around Monument Circle, Market Street from Alabama Street to Capitol Avenue, and the Wholesale District (bounded by Pennsylvania Street, Washington Street, Capitol Avenue, and South Street). This project is a continuous "as needed basis" project through the year.

Restrictions are in place on Madison Avenue over Morris Street, between Prospect Street and Orange Street, while bridge repair is underway.

Restrictions may be in place on Central Avenue over Fall Creek, between East Fall Creek Parkway North Drive and East Fall Creek Parkway South Drive, while bridge maintenance is underway.

Indianapolis Cultural Trail: A Legacy of Gene & Marilyn Glick

Traffic restrictions on Virginia Avenue from South Street to the I-65 bridge are in place. Traffic will be move further to the west side of Virginia Avenue (still one lane in each direction) and the contractor will set up barrels on the east side of Virginia Avenue and start working on the curb ramps at some of the intersecting streets to the east of Virginia Avenue. This work will take a few weeks to complete.

On the Central Corridor (Washington Street), maintenance of traffic (from Capitol Avenue to West Street) has been set up, moving the vehicles to the southern lanes. Work is continuing on the north side of Washington Street installing trench drain, concrete paver base and pavers. The work (new curb ramps and pedestrian signal work) is progressing on the south side of Washington Street at Senate and will take approximately one more week to complete. Pedestrian access will be maintained across Senate on the south side of Washington Street.

Georgia Street

Punch list items are being addressed. Please visit the project web page at <http://www.indy.gov/georgiastreet> for additional information.

DECATUR TOWNSHIP
